2009-2010 SCHOOL YEAR

A charitable not-for-profit organization established in 2000 by Albany City School District parents for the purpose of providing assistance and support to all extracurricular activities offered by the District.

The Albany Booster Club seeks volunteers throughout the year to staff events and assist in various fundraising events.

The majority of our funds are raised through concession stands, 50/50 raffles, and private donations. The Albany Booster Club is completely dependent on parent, student and staff involvement. We always welcome new members/volunteers.
