Revised 11/2011

2011

Albany Booster Club is a charitable not-for-profit organization established in 2000 by Albany City School District parents for the purpose of providing financial assistance and support to all extracurricular activities offered by the District.

The Albany Booster Club seeks volunteers throughout the year to staff concession stands and assist in fundraising efforts.

The majority of our funds are raised through concession stands, 50/50 raffles and private donations. The Albany Booster Club is solely dependent upon parent, student, staff and community members. We always need new members and volunteers.
